

TUNEPAL – USABILITY TESTING CONSENT FORM

Thank you for agreeing to participate in this usability study for the TunePal app.

The purpose of this test is to help improve the usability, design, and user experience of the application through real end-user feedback. This form outlines your rights and how your data will be used.

What You'll Do

- Complete a short series of tasks using the TunePal app (e.g., searching, saving, or identifying a tune).
- Participate in a Think-Aloud Protocol (TAP), where you'll verbalize your thoughts while using the app.
- Complete a System Usability Scale (SUS) questionnaire at the end.

Voluntary Participation

- Your participation is completely voluntary.
- You can stop or withdraw at any time, for any reason, with no consequence.

Privacy & Confidentiality

- No personally identifying information will be collected or stored.
- Any observations or data will be anonymized and used only for academic and design improvement purposes.
- This study has no commercial or marketing purpose.

Recording (if applicable)

- This session may be audio- and/or screen-recorded to help analyze usability issues.
- You may request to disable recording at any time.

Consent Statement

By signing below, I confirm that:

- I understand the purpose of the usability test.
- I agree to participate in the test and provide feedback.
- I give permission for my responses to be used in usability research and academic reporting (anonymously).
